

WINDCHIMES

Our classic sculptured designs are renowned for their quality of workmanship and enduring value. True works of art combined with the alluring tones of windchimes. This distinguished product will appeal to your customers' senses of sight AND sound!

The hand-crafted copper sculpture is positioned atop melodious, tastefully finished copper chimes. These unique windchime sculptures possess exceptional beauty and value that will be cherished for years to come.

Measurement is for figure and chimes. All Windchime Sculptures are approximately 42"H from top hook to bottom of windcatcher.
